

FREE urban planning and development workshop with property industry professionals for years 11-13

We are offering your students a **FREE**, industry-led workshop

What is UrbanPlan?

Led by facilitators and industry experts, **UrbanPlan** is an interactive workshop, based on the real-life challenges of urban regeneration.

Get in touch: urbanplan@edcoms.co.uk

Find out more: www.urbanplanuk.uli.org/teachers

Features:

- Led by professional facilitators and property industry experts
- A workshop focussed on the regeneration of a blighted site in a hypothetical town
- Students role play, working in teams
- Teams address challenging financial, market, social, political, and design issues
- Supported by easy-to-use multimedia resources alongside a teachers' toolkit, templates & 3D models
- Employability skills focus
- Useful for personal statements and UCAS applications
- Minimal teacher preparation time

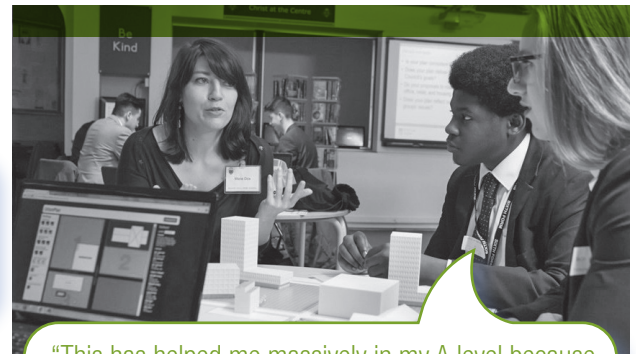

"...they can actually see strategic planning in reality. It's almost like applied strategy... We try and give them examples in class, but to actually have a situation where they've got to deploy strategic thinking is fantastic." – Teacher

Who is it for?

- Year 11-13 students (plus high ability year 10)
- Curriculum fit for Geography, Business Studies and Economics
- Students keen to learn more about careers in the built environment

How does it work?

- 20-60 students per workshop
- Workshops span the full school day
- Other options are available

"This has helped me massively in my A level because I was struggling with this topic and it's really helped me understand that more." – Student

This workshop is delivered by the The Urban Land Institute – one of the world's most respected and diverse organisations in the field of development, land use, and urban planning. The Urban Land Institute is a not for profit education and research body with over 33,000 members across the globe – over 1000 here in the UK covering the private and public sectors representing all disciplines within the UK commercial and residential property market. Its mission is to provide leadership in the responsible use of land and in creating and sustaining thriving communities worldwide.
